Services

We tailor our confidential services to the needs of each individual client. A home visit by our Social Worker helps assess the needs of each individual and provide the services that will help each family have a brighter future. Broadly, our areas of service are:

Education

- * We offer tutoring to elementary through high school students as well as educational mentoring programs to parents of students.
- * Scholarships for GED prep and mentoring
- * Scholarships for post GED/high school education
- * Preschool scholarships
- * School Supplies

Life Skills Counseling

- * Social workers work closely with individuals and families providing supportive services to promote self-sufficiency and independence
- * Budgeting assistance
- * Resource referral and assisting client's wise use of available resources is an important part of what we offer.

Food Pantry

We offer a food pantry located at the office. The pantry is stocked with donated non-perishable food and hygiene items. Many churches, organizations, and schools on Signal Mountain donate the many necessary items ongoing throughout the year. Social workers meet with clients to assure their needs are met through a variety of resources.

Seniors

A dedicated Seniors' Social Worker provides compassionate, supportive services to our elderly clients. We strive for our seniors to live in safe and healthy environments and promote community contact through the various organizations on the mountain.

Emergency Assistance

When appropriate, we can help pay rent and utility bills, help with the cost of prescription drugs, and, in some cases, help with home repairs.

Volunteers

Ongoing volunteer opportunities are available to staff the food pantry, the Clothes House resale shop, visit with seniors, help with home repairs, and other special projects throughout the year such as Christmas Baskets and food drives. We rely greatly on the work our volunteers accomplish every day.

Funding

We are completely funded by private donations. We receive no government assistance or grants. Our resale shop, The Clothes House, contributes 50% of our operating budget, while the remainder is contributed by Signal Mountain churches, civic organizations, and individuals.

All donations are appreciated and are tax-deductible. Checks can be mailed to:
